Z Thoroughbred Racing LLC, a company founded in 2010 and based in Renton, Washington, is offering partnership opportunities for ownership of 2 year-old thoroughbreds racing at Emerald Downs this season. The company was formed in order to bring the thrills of race-horse ownership to more fans in the Northwest and Arizona. Syndicating racehorses and sharing expenses is a proven way to reduce risk and expense of ownership while still experiencing all the excitement and benefits of owning and racing a thoroughbred racehorse, including the experience of standing in the winning circle for the winner's photograph!

The company is planning to race their stable of horses at Emerald Downs in Auburn, Washington and Turf Paradise

in Phoenix, Arizona. Should a horse be talented enough to graduate from these venues to races at Golden Gate or Southern California, the plan is for the more promising fillies and colts to run for these larger purses.

Z Thoroughbred Racing LLC's first offering is a 2 year old colt, Harbor Wind, by Harbor the Gold out of Bon Jour Paris. The colt will be initially based at Emerald Downs this season and be trained by Frank Lucarelli.

Owners will be able to visit the backstretch, attend horse workouts, and have special privileges for the Turf Club and saddling paddock on race day .

Z Thoroughbred Racing LLC is a limited liability corporation offering partnerships in similar format. Partnerships are sold

Zenyatta winning the Lady's Secret in Dec 2010.

based upon 10% increments or multiples thereof. Colts and fillies are acquired through yearling or 2 year-old in training auctions and by private purchase.

Z Thoroughbred Racing LLC was founded by Steve Zerda in 2010 to bring the opportunity for thoroughbred ownership to more racing fans in the Pacific Northwest and Arizona. Steve is formerly a successful airline executive whose interest in horse racing began back in 1978 when he calculated Beyer figures by hand for races at Santa Anita, Hollywood Park, and Del Mar. A follower of horses of that era such as Vigors, John Henry, and Flying Paster, Steve has studied pedigree analysis and conformation to enable the acquisition of quality stock for racing. Along with his company based in Renton, Washington, Steve owns a portion of the 3 year-old filly Turbulent Descent based at Hollywood Park, winner in 2010 of the \$100,000 Moccasin Stakes, the \$409,250 Grade 1 Hollywood Starlet, and an Eclipse Award finalist for 2010.
