Turbulent Descent to Run in Beaumont Stakes at Keeneland on April 17th

Turbulent Descent leading in upper stretch in the Santa Anita Oaks.

Turbulent Descent, the 3 year-old filly partly owned by Z Thoroughbred Racing LLC founder Steve Zerda, worked 6 furlongs on Tuesday, April 5th at Hollywood Park in 1:12 3/5 preparing for a start in the \$150,000 Beaumont Stakes (G2) on Sunday, April 17th.

Turbulent Descent will have one more work at Hollywood Park prior to her shipping to Lexington, Kentucky. The Beaumont is run at about 7 furlongs on the 1 1/16 mile Polytrack oval at Keeneland.

TD will not run in the 1 1/8 mile Kentucky Oaks at Churchill Downs on May 5th, the day before the Kentucky Derby. However, Zazu, the grey filly that TD has beaten 3 of 4 starts will be entered and should be among

the favorites.

Plum Pretty, the 3 year-old filly who was a beaten 3rd to Zazu and TD in the Las Virgenes Stakes, recently won the Sunland Park Oaks by 25 lengths on March 27th ([chart](#)), and will likely run in the Kentucky Oaks.

Despite being two-for-two at 1 1/16 miles, TD's trainer, Mike Puype, sees her best distance at one mile or less. Mike has the one-turn, one-mile Acorn at Belmont Park and the seven-furlong Test at Saratoga on her agenda.

"I have no doubt that she will be better going shorter," said Puype, who plans to give her the one start before the Acorn. "She has a brilliant amount of acceleration, and is best going

seven furlongs or a one-turn mile with a target to run behind", Puype said.

"She definitely has the Acorn and Test as two of her highest priorities this year. Those are career-making races both for winning an Eclipse award, and for a broodmare."

Z Thoroughbred Racing LLC was founded by Steve Zerda in 2010 to bring the opportunity for thoroughbred ownership to more racing fans in the Pacific Northwest and Arizona. Steve is formerly a successful airline executive whose interest in horse racing began back in 1978 when he calculated Beyer figures by hand for races at Santa Anita, Hollywood Park, and Del Mar. A follower of horses of that era such as Vigors, John Henry, and Flying Paster, Steve has studied pedigree analysis and conformation to enable the acquisition of quality stock for racing. Along with his company based in Renton, Washington, Steve owns a portion of the 3 year-old filly Turbulent Descent based at Hollywood Park, winner in 2010 of the Moccasin Stakes, the Grade I Hollywood Starlet, and an Eclipse Award finalist for 2010. In 2011, TD won the Santa Anita Oaks (GI) and was 2nd in the Las Virgenes (GI). She is 4-1-0 in 5 starts and has lifetime earnings of \$528,350.
